Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE accession of the Emperor Alexander II to the throne of Russia inaugurated a new era for that vast empire. Since that event the serfs have been emancipated; the introduction of trial by jury with an oral and public procedure has completely reorganised the administration of justice; and territorial institutions have laid the first foundations of self-government. With these important and salutary reforms, however, we have not to be occupied. We confine ourselves to a single observation. Those inveterate abuses could not be touched without the discovery of others, and reforms already effected could not but open the path to new ones. Among those yet to be accomplished, one of the most important concerns the clergy and the organisation of the Russian Church. During the reign of the Emperor Nicholas public opinion was little interested in the situation of the clergy. In connection with it many abuses were known to exist, but their correction seemed to be a matter of little importance. For some thirty years M. Andre Mouravieft alone devoted his pen to this subject; but his chief object was to throw a veil over disorders unfortunately too real: he denied the abuses, not combated them. It is not so now. The laity, through the press, are allowed to make frequent attacks more or less clear and direct against the Russian clergy, and the latter reply. A considerable number of journals and ecclesiastical reviews exist, the chief work of which is to defend the clergy, but which, however, from time to time call loudly for reform. This publicity is quite insufficient, because of the very narrow limits imposed on the liberty of the press. When a question...
