FISHING TACKLE ANTIQUES & COLLECTIBLES VOLUME TWO: IDENTIFICATION AND EVALUATION OF PRE-1970 TACKLE

2002. Hard Cover. Book Condition: New. 8.75 x 11.25 in. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. OUR NOTES: Karl White's three volume series has consistently remained one our most popular resources in this field. Taken together, they represent one of the most broad and comprehensive approaches to this highly collectible (and profitable) collecting hobby. I heartily recommend Karl's 3 book set as a worthy addition to any collector or dealer's reference library. -- John Kincaid, Collector Bookstore Author's Introduction: The purpose of this book is to identify and evaluate reels and metal lures dated up to 1970. Good reels usually have identification on them. Prices can fluctuate up to 50%, according to the demand of antique tackle. Keep in mind that the higher the number of items found and in circulation, the lower the value is. A true collector obtains tackle for love of the hobby and not for the investment. The only common denominator that everyone understands is putting a dollar value on it. Good finds of antique fishing tackle are hard to come by and more people are collecting the 1940's, and later. In this book the lures are indexed alphabetically by manufacturer and by common name. The reels are indexed by manufacturer only. There...
