Reviews

This publication is worth acquiring. It is actually full of knowledge and wisdom You are going to like the way the blogger publish this book.

(Prof. Stanley Hermiston)

THE GIFT: SUCCESS THROUGH POSITIVE MENTAL ENERGY (PAPERBACK)

Outskirts Press, United States, 2009. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.By following three easy steps, you can tap into the greatest source of wisdom and creativity in the Universe. To change your life; to make it great; is a gift you can give yourself. Learning to relax, gain self-control, and be more self-confident under the most stressful of conditions can now become a part of your everyday experience. High positive mental energy does not belong to the one who is living on caffeine and stress. It comes to you as you actively create a life that is balanced, as you develop mental clarity and focus, and as you become more and more soul-centered. By developing such a vital foundation, you will be able to tap into higher levels of wisdom and engage in psycho-intuitive-telecommunications. After all, wouldn't you want to have the power to create healing miracles, to have a sixth sense of knowing, to attract to you the right people, places, and things? In The Gift, Dr. Fahey gives you the secret to reconnecting with your brilliance and intelligence to achieve the health, success, closeness, and love you deserve. Praise for The Gift-- If you read this book with an open mind and heart, it will be your best map to achieving your deepest desires. Enjoy Dr. Fahey's words and your trip to high positive mental energy and change. --Kenneth W. Kirkland, CPA, MST, Managing Partner, KAF Financial Group.
