Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Eva Lebedeva (illustrator). 229 x 152 mm. Language: Russian . Brand New Book ***** Print on Demand *****.In the third book The Impressions by Luba Kanchan the reader gets the most complete picture of the inner world of the author, her honest reaction on the most valuable events of the real life in the Soviet Union. I lived in this time. I breathe this air. Her diary (1981-1987) reflects one of the most important periods in the life of the country - the so-called Perestroika (reconstruction). Gorbachev s era starts with facilitation of the exit and the entry to the country, and ends with the collapse of the Soviet Union. The detective like story about the performance of the play Suicide by Nikolay ERDMAN told by the author in this book is a typical example of some democratic changes in power regime during the perestroika. The book leaves no one indifferent.
