

The Safety of Elderly Drivers: Yesterday's Young in Today's Traffic

By J. Peter Rothe, P. J Cooper, B De Vries

Transaction Publishers. Paperback. Book Condition: new. BRAND NEW, The Safety of Elderly Drivers: Yesterday's Young in Today's Traffic, J. Peter Rothe, P. J Cooper, B De Vries, By the turn of the century, the elderly will comprise about 20 percent of the population in North" America, and 28 percent of those who drive. Place this percentage in high-powered automobiles, and the need for planning and policy development becomes evident. Most standard research on elderly drivers has not gone beyond gathering data on specific situations or characteristics. This book rises beyond simple statistical presentation. It blends sociological insight with statistical detail to produce an absorbing description of the elderly drivers' daily lives, driving styles, experiences with accident and injury, social relationships, and life aspirations. It also describes areas of neglect: imagined and real health problems, driving exposure and traffic violations, accidents, and loss of self-esteem. It presents in-depth accounts of the trauma of loss of license and the importance of the automobile for sustaining mental, physical, and social well-being. The self-imposed or self-defined rules elderly drivers use to navigate traffic or compensate for physical frailties are described in depth. "The Safety of Elderly Drivers "includes penetrating comments from elderly drivers who...
