Filesize: 6.6 MB

Reviews

This created publication is wonderful. This can be for those who statte that there had not been a worth looking at. Your lifestyle period will probably be transform when you comprehensive looking at this book.

(Chelsey Nicolas)

MODERN CHINA: A VERY SHORT INTRODUCTION (2ND REVISED EDITION)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Modern China: A Very Short Introduction (2nd Revised edition), Rana Mitter, China today is never out of the news: from international finance to human rights controversies, global coverage of its rising international presence, and the Chinese 'economic miracle'. It seems to be a country of contradictions: a peasant society with some of the world's most futuristic cities, heir to an ancient civilization that is still trying to find a modern identity. This Very Short Introduction offers the reader an entry to understanding the world's most populous nation, giving an integrated picture of modern Chinese society, culture, economy, politics, and art. In this new edition, Rana Mitter addresses China's current global position, accounting for the country's growth in global significance over the past decade. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
