Brand New Book ***** Print on Demand *****.Every year many wrong decisions are made by Referees during football matches; as a result, teams are knocked out of Champions Leagues by fake goals - penalties are awarded to players who dive in the penalty area; offside goals are allowed and legitimate goals are ruled out as offside goals. Many nations miss out on World Cup qualifications because of red cards that were issued to their players for fouls the players had not committed; and in leagues all around the world, teams are relegated because of refereeing errors while teams that may have been relegated, remain in higher divisions. Sadly, there have been death threats made on Referees after video replays showed that they made mistakes which cost teams and nations valuable points, qualifications and trophies. And these death threats are not only irresponsible but criminal. But If Referees are humans and not angels as FIFA wants us to believe; do they need help, and can video technology be the answer? Should video replays be approved to help Referees avoid these monumental errors or should the game continue as it is without video technology or video replays? This book is one of the most unique books you ever read; rather than using words or phrases as titles of chapters as it is in almost every book you and I have read; the titles of chapters of this book are actually sentences; yes, each chapter title, is a sentence - they are sentences made by fictional commentators in four of the more popular football or soccer leagues in the world. Each title sentence covers a specific Referee decision in football. Chapter one is titled with a sentence that...
