

Extreme Science: Set 5

By David Orme

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Extreme Science: Set 5, David Orme, This title is one of the "Trailblazers" series of audio books on popular non-fiction topics. "Extreme Science" includes a fully illustrated non-fiction section with fascinating information on the topic, followed by a fiction story. The series will appeal to older children and young adults and is particularly suitable for those with an extremely low level of literacy or learning English as a second language. "The Trailblazers" series has been written for older children and young adults with a reading age of 5-8. The books are suitable for general reading or as part of a more structured reading programme. Each book is on a strong, popular topic, with a colourful, attractive layout. Each book has a non fiction and a fiction section. The fiction story appears in two formats - one with simple texts for poor readers; the facing pages contain an illustrated 'speech bubble' version of the same story, for those who are just starting to learn to read. These two levels of entry give access points for children and young adults with different reading ages. The vocabulary of each book is carefully limited, with simple...

Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

-- **Jesse Tremblay**

Merely no phrases to describe. It generally does not price an excessive amount of. It's been designed in an extremely simple way in fact it is simply soon after I finished reading through this pdf through which really altered me, modify the way I really believe.
