Brand New Book ***** Print on Demand *****.Safe, Secure Baby Toddler: Effectively Baby Proof your Home and Car for the Safety of You your Child Why is It Important for My Baby to Have a Baby-Proof Home? Parents often feel overprotective especially when it comes to their children. Because of their protective instincts, they often feel scared especially when they are away from the house. They often cannot shake the feeling that their children might be in one form of danger or another while they are away. For parents, the well-being of their children is a 24-hour concern. No matter how much tasks they have to do, they think about their children and their safety. This is not unfounded. Experts believe that kids over the age of 1 and 4 are more likely to be injured because of being overly curious. This heightened curiosity often results in accidental injuries brought about by touching and playing with things they are not supposed to touch or going to places where they are not supposed to. Each year, over 2.3 million children are injured accidentally and...
