This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

Amistad Press. Paperback / softback. Book Condition: new. BRAND NEW, From Harvey River: A Memoir of My Mother and Her Island, Lorna Goodison, When Doris Harvey's English grandfather, William Harvey, discovers a clearing at the end of a path cut by the feet of those running from slavery, he gives his name to what will become his family's home for generations. For Doris, Harvey River is the place she always called home, the place where she was one of the "fabulous Harvey girls," and where the rich local bounty of Lucea yams, pimentos, and mangoes went hand in hand with the Victorian niceties of her parents' house. It is a place she will return to in dreams when her fortunes change, years later, and she and her husband, Marcus Goodison, relocate to "hard life" Kingston and encounter the harsh realities of urban living in close quarters. In Lorna Goodison's luminous memoir of her forebears, we meet a cast of wonderfully drawn characters, including George O'Brian Wilson, the Irish patriarch of the family who marries a Guinea woman after coming to Jamaica in the mid-1800s; Doris's parents, Margaret and David, childhood sweethearts who become the first family of Harvey River; and Margaret and David's eight children. In lush, vivid prose, textured with the cadences of Creole speech, Lorna Goodison weaves together memory and mythology to create a vivid tapestry. She takes us deep into the heart of a complete world to tell a universal story of family and the ties that bind us to the place we call home.
