Excerpt: . . . Combined Assessment Program Review of the North Chicago VA Medical Center, North Chicago, IL We found that ED physicians are emergency medicine specialists. Other ED staff have specialized training as Sexual Assault Nurse Examiners or emergency medical technicians or have training in pediatric life support. We found completed competency assessments for ED nursing staff. We conducted EOC tours and found that the environment was clean, secure, and safe and that equipment was appropriately maintained. We made no recommendations. The purpose of this review was to evaluate whether the Medication medical center had adequate medication management Management practices. A safe medication management system includes medication ordering, administering, and monitoring. We reviewed selected medication management processes in the intensive care, medical surgical, MH, and CLC units. We found adequate management of medications brought into the facility by patients or their families. Nurses appropriately scanned patient armbands and used personal identifiers to correctly identify patients prior to...
