My purpose in writing and designing this journal is to get you to start focusing your ability to choose to show and act in love in your life. Love is a power-filled emotion that can bring healing or rip someone to shreds. We make many choices throughout our day and loving is one of them. We decide who is worthy of our love, we decide when we will share that love with them and for how long. We do all of this subconsciously and that perhaps is the problem. We need to pay attention and be present! I want you to do the same. Carve out time to reconnect with your yourself and the powerful ability to choose love. From it you will find a sense of peace, strength, fulfillment and understanding. Each journal week has one Mandala coloring page to help you relax and find the love for life you once knew! I have laced this journal with quotes, scriptures that have uplifted me and inspirations that I hope you will ponder. This journal is for everyone who is looking to rejuvenate the LOVE in their life!.
