

The Private Life: Why We Remain in the Dark

Filesize: 9.35 MB

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Granta Books. Paperback. Book Condition: new. BRAND NEW, The Private Life: Why We Remain in the Dark, Josh Cohen, The war over private life spreads inexorably. Some seek to expose, invade and steal it, others to protect, conceal and withhold it. Either way, the assumption is that privacy is a possession to be won or lost. But what if what we call private life is the one element in us that we can't possess? Could it be that we're so intent on taking hold of the privacy of others, or keeping hold of our own only because we're powerless to do either? In this groundbreaking book, Josh Cohen uses his experience as a psychoanalyst, literature professor and human being to explore the concept of 'private life' as the presence in us of someone else, an uncanny stranger both unrecognisable and eerily familiar, who can be neither owned nor controlled. Drawing on a dizzying array of characters and concerns, from John Milton and Henry James to Katie Price and Snoopy, from philosophy and the Bible to pornography and late-night TV, The Private Life weaves a richly personal tapestry of ideas and experience. In a culture that floods our lives with light, it asks: how is it that we remain so helplessly in the dark?.
