A Teacher s Manual to Accompany High School Geography (Classic Reprint) (Paperback)

By Charles Redway Dryer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Teacher s Manual to Accompany High School Geography This manual is designed primarily for the use of the teacher, but it can do no harm in the hands of the student. It consists largely of suggestive questions which may be used in oral recitation, for written examination purposes, or for assignment as supplementary and collateral research work. They constitute a series of exercises running parallel with the questions which any teacher might ask from the text, and are designed to stimulate thought and broaden the views of the student. They are analogous to the miscellaneous problems given in mathematical textbooks. It would seldom be practicable to use them all with any one class, and the teacher should select such as seem best suited to his conditions. They will not fill the place of laboratory work, but are available in cases where such work is necessarily limited. A judicious use of them will add interest and effectiveness to the study of geography. A list of desirable maps, globes, models, and instruments for high school equipment,...
