Yale. 1 Paperback(s), 2010. soft. Book Condition: New. In this lively account of Arizona's Rim Country War in the 1880s sometimes called the Pleasant Valley War historian Daniel Justin Herman explores a web of conflict involving Mormons, Texas cowboys, New Mexican shepherders, Jewish merchants, and mixed-blood ranchers. At the heart of Arizona's range war, argues Herman, was a conflict between cowboys' code of honor and Mormons' code of conscience. He investigates the sources of these attitudes and tracks them into the early 20th century, giving us a fresh perspective on Western violence, Western identity, and American cultural history."This is a rich, deep, and rewarding work of western history a genuine contribution to the histories of American violence, society and culture, politics, and economics. Herman's research is nothing less than extraordinary as it taps an especially rich body of personal papers as well as published and unpublished memoirs."Durwood Ball"Daniel Herman turns a long and grim story of violence and vengeance into a referendum on American honor and conscience. Smart and beautifully written, this is western American history at its finest."William Deverell 365.
