She urgently needs knee surgery after a near miss with a sports fisherman, but how can she get across the country to the shape-shifter clinic? Clinic handyman and Dom, Quinn Johnson, and personal care attendant Rainer King come to escort her. Just as well because someone doesn't want the clinic to succeed and tries to prevent Wynter from arriving safely. First she receives e-mails telling her the clinic is a fraud. Then the attacks get far more violent and personal. The wolf pack is keeping an eye on them and provides them safe places to stay at night where Wynter, who must swim every day, can shape-shift and swim. But it's a long way from California to Ohio by road with a shark, three people in lust with each other, a Dom wanting to be in control, and someone determined to stop them at all costs. ** A Siren Erotic Romance.
